

# Sign In Through Your LMS

If you use a learning management system (LMS) like Blackboard®, Canvas™, or Moodle™, you might be able to access your MindTap course from your LMS. Ask your instructor if your MindTap course is linked from your LMS.

Note Pop-ups windows must be allowed in your browser. See [Browser Settings](#).

1. Sign in to your LMS.
2. Navigate to your course.

Your course includes links to Cengage content added by your instructor.

3. Click a Cengage link.

You might have to ask your instructor which link to click or try clicking a few links to find the right one.

If you have already accessed your MindTap course from your LMS, you are signed in and your course content opens.

The first time you sign in, the Cengage Sign In page opens.

4. If you already have a Cengage account, sign in with your email and password. Otherwise, use the following steps to create an account.
  - a. Click Create Account, then click Student.
  - b. Enter your institutional email address and click Next.

Use the same email address you use to sign in to your LMS.

- c. Enter the requested information and select your institution.
- d. Select I agree to the Terms of Use and Privacy Policy and click Next.

Cengage sends you an activation email.

- e. Open the activation email and click Activate Cengage Account.
  - f. Set your password.
5. Click Continue.
  6. If necessary, purchase access or begin a free trial.

Depending on your institution, different purchase and access options might be available to you. Review your options and begin a free trial or purchase access.

If you have already purchased access, click Continue.
